Volunteering

Skate Canada is a very successful national organization and one of the reasons for this is the involvement of thousands of volunteers that help to keep things running. Some individuals have been volunteering for more than 50 years! There are many types of volunteer positions available and these can range from playing music at a club skating session to making policy at the national board level. Each year Skate Canada pays tribute to its volunteers at its annual meeting and awards are presented to those whose contributions have been recognized by their peers.

Board of Directors

The Board of Directors meets once per month throughout the year. They are elected by the membership at the Annual General Meeting. There are many committees and positions available on the board, with varying degrees of time commitment. We would NOT have a club without them. See a Board Member for more information on how you can become more active in our club.

Your Talents are our Treasures

We are sure to find GOLD!

Volunteering for your club is the best way to learn more about the sport and how you can make this an even better experience for your entire family.
