Parents should feel free to approach any coach to request lessons and negotiate frequency and length of lessons. Coaching fees are not included in registration fees.

Registration for programs is based on a certain minimum number of skaters. We may find it necessary to adjust times and sessions if numbers do not meet expectations.

The test day is conditional on the availability of dance partner and evaluators. A dance partner will only be available if there are 18 or more high dance tests. No refunds will be given if tests are not taken. Test Day is tentatively scheduled for **October 2 & 3 2009.**
