

You're in the Loop

Welcome to the 2011-12 Season !

from the Board of Directors of the Fort William FSC

The 2011-12 season will be an exciting year with many opportunities for growth and development.

The FWFSC will be having its annual registration nights for the 2011-12 season at the **NEW** Mary JL Black Library on Edward Street beside the West Thunder Community Centre.

Register on one of our registration nights to guarantee your spot on our sessions.

If anyone can assist our board with its registration night, please call me at 939-2244 or email info@fortwilliamfsc.com.

There has been some changes to our skating schedule. For our new tentative schedule, please check out our website for more details.

We are pleased to offer Pre-CanSkate, CanSkate, CanPowerskate, Pre-Junior, and STARSkate programs.

Registration forms will be completed on site. Payments will be accepted by cash or cheque only. Fees may be divided into a payment plan subject to an administration fee of \$25.

Total payment must be received by November 20, 2011.

This year, there will be no mandatory fundraiser! We realize the burden of fundraising especially in September. We are hoping that all members will participate in the various fundraisers throughout the year to fill this gap.

Over the summer, the Club updated and certified the jump harness. So it is back up and ready for the season. This is extremely exciting for all our STARSkaters.

Keep checking the website for exciting news about our Club.

See you in September!

FALL SCHOOL REGISTRATION

Registration is now available for the 2011 Fall School being held at Port Arthur Arena.

This is a joint venture with the Thunder Bay FSC and sessions are available for Juniors, Intermediates and Seniors. **There is limited space available for these sessions, so please do not delay your application.**

If you are interested in participating, please download a brochure from our website and mail it to the Club as soon as possible.

Don't be disappointed, register today. No skaters will be allowed to skate until they are properly registered for the Fall School. Forms must be received prior to the start of the school.
